

Central Baptist Church Missions Policy

Central Baptist Church aims to honor God and be good stewards of the responsibility, opportunity, and calling we have to reach the nations for the glory of God. To that end, we have expectations of each member that participates in Central Baptist Mission endeavors, whether the team member is a member of Central or not.

- Team members will abstain from consuming alcohol and tobacco on mission trips.
- Team members will be above reproach when it comes to relationships with members of the opposite sex: this includes staying out of lodging quarters of the opposite sex, not isolating ourselves with a member of the opposite sex, etc.
- Team members will be in their lodging at the prescribed time.
- Team members will maintain a flexible and positive attitude for the duration of the trip. Plans change and surprises happen, it is imperative that we roll with it and keep a Christ-like attitude.
- Team members will address any issues or disagreements with a Christ-like attitude and will include the team leader when/if necessary.
- Team members will change clothes in the privacy of their restroom or tent.
- Team members will make choices that honor God, respect the culture, follow the guidelines, and point others to Jesus.
- Team members will follow the direction of the team leader, especially in areas concerning schedule, safety, mission responsibilities, etc.

As a Central Baptist Church mission team member to _____, I commit to meet the expectations laid out by the CBC Missions Policies.
